

THE DVC (RPE) PROF LUCY IRUNGU CHALLENGES ACADEMIC STAFF AND STUDENTS IN MOMBASA CAMPUS TO DO MORE RESEARCH

The Deputy Vice Chancellor in-charge of Research, Production and Extension was in Mombasa Campus on 16 March, 2015 to address both academic staff and students about research. She Acknowledge that the University of Nairobi is a research intensive university with a reputation for excellence and a strong and vibrant research culture where research work is recognised for its impact and relevance to the region. She challenged the academic staff and students to do research and reminded them that the University of Nairobi values its research students as important contributors to University research standing and provides a supportive environment to achieve excellent academic staff and student outcomes.
