

HIV/AIDS SENSITIZATION AND ADA PREVENTION WORKSHOP FOR MOMBASA CAMPUS

The University Health Services (UHS) led by Chief Medical Officer, Dr. M.R.B Otieno, on February 20, 2015 carried out a sensitization workshop on HIV/ AIDS and ADA prevention at the University of Nairobi, Mombasa Campus. The workshop targeted both students and staff at the Campus.

Voluntary Counseling and Testing for HIV was also offered. The university provides preventive and curative health by means of sensitization of HIV/AIDS, educational awareness campaigns are carried out in every campus once a year.
