

## **Students' Sports Team Enjoy a Memorable Weekend Retreat**

CAVS students' sports team had a fascinating retreat in Mombasa over the weekend. Being a sports team, they got an opportunity to engage in a friendly soccer contest against the Mombasa campus. Students were grateful for the exceptional opportunity offered to them by the College.

The retreat comprised an array of sporting and pleasurable activities such as; beach soccer, volleyball, swimming, windsurfing, dancing, adventure tours, coconut shot puts and boating.

Co-curricular activities are part of the College's core values. CAVS always treasures sports and retreats, as programs and learning experiences, to complement the regular learning activities.
