

Leading Cancer Expert & Professor of Oncology Nicholas Abinya to set up regional AORTIC (Africa Organisation for Research & Training in Cancer) offices in the department

Prof. N.A Abinya will soon be setting up regional AORTIC offices in Nairobi housed within the Department of Medicine. The African Organization for Research and Training in Cancer (AORTIC) aims to build local capacity for research and training in Cancer. Prof Abinya has published widely in the field of Medical Oncology in Africa.
