

The Centre for Open and Distance Learning, in Collaboration with the the School of Physical Sciences, School of Biological Science, School of Engineering and E-learning team starts a week long workshop for writing, reviewing and uploading distance learning materials.

The workshop was opened by the Principal, College of Education and External Studies,

Prof. Isaac Jumba.

The objectives of this workshop are:

1. Share quality assurance strategies of self-instructional materials
2. Complete the writing of the modules;
3. Finalize the modules for Review;
4. Review the modules
5. Revise the reviewed module;
6. Review and upload materials to the e-learning portal by ICT office
7. Add value to university website
