

Kenya Medical Laboratories Technologists and Technicians Board (KMLTTB) Registration Examinations

As in previous years, the Department of Human Pathology facilitated and participated in this year's KMLTTB registration examinations which were held on 17th - 21st November 2014. The examinations included a written paper, practicals and vivas. Over 100 students took the examination. Key participants from the Department were the Principal Technologist Mr. Jackson Ireri, Chief Technologists Mr. Willis Ochuk and Mr. Charles Simiyu. The KMLTTB coordinator of the exams expressed deep gratitude for the smooth organization of the examinations.

The College of Health Sciences offers a degree in Medical Laboratory Sciences and Technology and supports the activities of KMLTTB.
