

Dr. Aduda-Dean school of Business ,Dr. Okwiri and Mrs .Nyamute with the CFA INSTITUTE RESEARCH CHALLENGE 2014 winners

- The CFA research challenge is a global competition that entails a rigorous research on a selected listed company. The research involves fundamental analysis of the company and thereafter giving a **buy**, **sell** or **hold** recommendation based on the teams valuation and financial analysis. This year's competition focused on Standard Group Limited as the selected company of analysis. The local competition was held on 6th March 2014 with the University of Nairobi being crowned the CFA East African champions. The team will consequently represent East Africa in the regional challenge in Milan, Italy on 1st and 2nd April, 2014.
- The team comprised of fourth year students listed below:-
 1. Jeremiah Riro - D33/2581/2010
 2. Martha Chirah - D33/2375/2010
 3. Judith Ngonyo - D33/2435/2010
 4. Yvonne Achieng - D33/2554/2010
 5. Lydia Moraa - D33/2510/2010
- From the regional level the team will proceed to the global level in Bangkok on 25th April, 2014 thus putting the University on the global map.
