

### **Sudan Association of Surgeons meeting held**

Prof Pankaj G. Jani attended the 41<sup>st</sup> [Sudan Association of Surgeons](#) Conference in Khartoum held on 22nd to 25th of February 2015. The meeting also doubled up as the 7<sup>th</sup> International Conference of The Sudan Society of Reconstructive, Plastic and Burns Surgery. The conference theme was "Research and Training in Surgery".

The meeting was attended by a wide section of the surgical community involved in surgical training within the region. These included [Royal College of Surgeons in Ireland](#) (RCSI), [Royal College of Surgeons of Edinburgh](#) (RCSEd.), [West African College of Surgeons](#) (WACS) and South African Surgical Colleges.

Prof Jani presented a paper entitled "Improving Surgery in the ECSA region".
