

Radiology Residents enjoying themselves at the party

MSK RADIOLOGY SYMPOSIUM 2015

Date and time:

Mon, 2015-05-25 13:06

A three day musculoskeletal (MSK) radiology symposium/workshop by highly experienced international faculty from the *International Skeletal Society* will be hosted by the department of Diagnostic Imaging and Radiation Medicine, UON and the Radiology department of the Aga Khan University Hospital (AKUH) on May 26th to 28th, 2015. The symposium will include didactic lectures, interactive case reviews as well as hands-on ultrasound demonstrations. It is envisaged that this will improve the practice of MSK radiology among the residents and faculty and also form linkages for future collaborations.
