

## Hand Surgeons visit Department of Surgery

Date and time:

Mon, 2015-06-29 11:09

(Drs. Stascha and Kumar in department of surgery)

Hand surgeons Dr, Tilman Stasch and Dr. Krishna Kumar paid a courtesy call on the Chairman of surgery on 29<sup>th</sup> June 2015.

The two are in the hospital to take part in the second hand surgery workshop.

Dr. Stasch, our external examiner has visited the department before, while [Dr. Kumar](#) is from Calicut in Kerala, India and works at the [Baby Memorial Hospital](#).

The workshop is planned for a week with the first two days allocated to didactic lectures and the latter days to operative surgery. Surgery will be held in four sessions and include surgery for brachial plexus injuries and other surgeries.
