

## **Eastern Africa Health Professional Educators' Association Conference**

A total of six participants from PRIME- K presented abstracts at the **Eastern Africa Health Professional Educators' Association (EAHPEA)** held in Kampala on June 11-13, 2014 at Africana Hotel.

The six participants were the 5 PRIME – K participants (**Dr. Minnie Kibore, Collins Owek, Raphael Kinuthia Wycliffe Ndege and Susan Wanja**) and a seed recipient from Kenyatta University, **Mary Mururi**.

The theme of conference of the conference was "*Strengthening Systems for Health Professionals' Education.* "

All the six prime-k members who participated in the conference registered as members of the EAHPEA. Two of the PRIME-K members, Dr. Minnie Kibore and Mr. Collins Owek chaired sessions in day two and three of conference respectively.

The objective of the PRIME – K team was to disseminate PRIME-K program outcomes to the rest of the world.
