Kenya science campus of University of Nairobi has one of the best university Hostel accommodations in Kenya, Our Environment is well natured for serene and a relaxed rest after study, with the added modern touches, will make your stay even more comfortable!

A hostel is a home away from home. Aware of the special needs and requirements of students, who come from far-flung places to this Campus, the University tries to provide them a safe, secure and affordable accommodation.

There are Four Residence Halls for students on the campus, 2 for boys and 2 for girls. The University Hostels take pains to give its students a neat and clean environment and a comfortable place to live in. There are Halls Officers and Custodians on duty round the clock. The Hostels Have a dining hall and canteen, a visitors' lounge, and invariably an outdoor court for basketball, cricket, volleyball, swimming pool etc. The mess provides a balanced diet at reasonable rates. The Common Room is fairly well equipped. There is provision for indoor games, LCD TV connected to pay TV and music system. More recently 24 hours internet connectivity through wi-fi has been provided in the common Room and both hall one and two.

Architecturally, the hostels are aesthetically laid out with plenty of open space and a lot of greenery. The rooms are comfortable, Students are encouraged to live in harmony, like one big family, lending each other a helping hand whenever, mutually cooperating to make hostel life a rich and fruitful experience.
