Managing Director [University of Nairobi Enterprises and Services](#) (UNES) Ltd, Prof Julius Ogeng'o (second left), with UNES Deputy MD, Mr John Kenduiwo (third left) and Standard Group CEO, Mr Sam Shollei(left) at the UNES head office, Nairobi.

With only two restaurants serving staff, students and the public in main campus and at the College of Biological and Physical Sciences (Chiromo) and its vicinity, the news of a new restaurant has been welcomed with great excitement.

Now, not only will the single arm of investment of the University, provide meals to areas within main campus and Riverside drive, but it has spread its clientele service to State House Road.

The **third** Arziki restaurant has just been opened at UNES consultancy offices along State House Road.

Presently, Arziki Restaurant and Conference Centre (Chiromo), which was first to be established, contributes in serving hundreds of people daily. Over the last 7 years, Arziki has continuously served sumptuous meals prepared by professionals who have mastered culinary art in the hospitality industry.

In addition, the restaurant also hosts trainings in its top-notch conference facilities. Several organizations, both private and public continue to hold conferences in the restaurants facilities
