

NUSWSA SET TO VISIT GOOD SAMARITAN CHILDREN'S HOME

About 60 students of Social Work drawn from both Modules I and II classes as well as the diploma students will tomorrow visit Good Samaritan Children's Home situated in Mathare Slums, Nairobi.

This comes after a pre-visit that was done about two weeks ago by the representatives of Nairobi University Social Work Students Association (NUSWSA) whose analysis revealed that the children in this institution are in dire need of the basics such as food, clothing, footwear, stationery and toiletries. The visit will therefore be an opportunity for the social work students to show love and care by giving. In addition, they will have the opportunity to participate in a cleanup activity of the institution besides sharing stories and play with the children and motivating them.
