

Dr Mulwa travelling to Dakar, Senegal, to attend training course on Applied Panel Data Econometrics from Monday 9th September, 2013

Date and time:

Mon, 09/09/2013 - 04:00

Location / Venue:

Dakar, Senegal

Dr. Rich Mulwa will be attending a training course on ***Applied Panel Data Econometrics*** in Dakar, Senegal from Monday 9th September, 2013. The course is sponsored by the African Growth and Development Policy (AGRODEP) Modeling Consortium and organized by the International Food Policy Research Institute (IFPRI), Dakar. This course will focus on building a strong foundation on core panel data techniques before moving into more cutting edge methods that have been recently developed in this area and will be conducted using the **R** software.
