

# NEW

The Wangari Maathai Institute for Peace and Environmental Studies has received approval from NEMA to offer training in Environmental Impact Assessment (EIA) and Environmental Auditing (EA) after meeting all the requirements set by the Authority. The course duration will be three weeks of intensive training and will be offered to persons who shall have qualifications suitable for registration as Lead or Associate Experts as specified in the EIA/EA Regulations (2003), or any other person interested in becoming conversant with issues on Environmental Impact Assessment and Environmental Auditing.
