A new round "Chinese Corner and Cultural Activities" starting in the Chinese opera facial makeup

2pm, Oct 2rd 2015, the new round "Chinese Corner and Cultural Activities" started at ED213. All the lectures and volunteers and many students of the university were presented. The theme this time is Chinese opera facial makeup. Though some students knew a little about it, to most of the students, it was the first time they painted the Chinese opera facial makeup . They started to try immediately when they sat down, while our volunteer teachers were teaching the hand by hand. Students experienced a special way of ppainting and felt very interested in it.
