

Mifugo ni Mali Extensive Livestock Expo 2015

Mifugo ni mali Livestock expo is a combination of an experiential livestock conference bringing together different actors in the pastoral value chains with an aim to bringing the livestock agenda as a priority sector for governments but more importantly explore opportunities of collaboration, promote the commercial value of extensive livestock value chains and opening up investment opportunities.

This event attracted over 100 exhibitors, more than 1000 delegates. The official opening was presided over by P.S , Ministry for Fisheries Development, Prof Micheni J. Ntiba.
