Department of clinical Studies participated in the recently held Mifugo ni Mali Livestock expo which h was a combination of an experiential livestock conference bringing together different actors in the pastoral value chains with an aim to bringing the livestock agenda as a priority

sector for governments but more importantly explore opportunities of collaboration, promote the commercial value of extensive livestock value chains and opening up investment opportunities.

The event attracted over 100 exhibitors, more than 1000 delegates. The official opening was presided over by the Principal Secretary, Ministry for Fisheries Development, Prof Micheni J. Ntiba. Prof. Mbithi who is the Vice Chancellor, University of Nairobi, graced the occasion.
