Prof. S.G. Kiama, Director, Wangari Maathai Institute with the SAWASAWA Delegates from Egypt, Ghana, South Africa and Kenya group photo after the meeting.

Prof. S.G. Kiama, Director, Wangari Maathai Institute for Peace and Environmental Studies hosts and gives a talk to the SAWASAWA Delegates from Egypt, Ghana, South Africa and Kenya, the Organization for Intercultural Education (AFS) partners on the legacy of the late Professor Wangari Maathai: Creation of Conservation Awareness on Kenya Environment and the works of the Wangari Maathai Institute.

AFS Kenya is a Public Benefit Organization affiliated to AFS International that work towards a more just and peaceful world by providing international and intercultural learning experiences to individuals, families, schools and community through global volunteer partnership.

Sawasawa African program is one of the AFS Kenya's intercultural initiatives. It is an exciting two week program established by the four active AFS organizations based in

Africa. Its objective is to help create a meaningful way to build relationships and strengthen collaboration in the region.
