UON

PROFILE

The road is paved for being with...
Dr. Githanga is an avid farmer and competent swimmer but it's her fight against childhood cancer that has earned her the hero badge. She talked to JOY WANJA MURAYA about her passion.

For the love of little champions

As we played with my youngest brother, we'd catch insects and pluck out legs or wings, wrap them in tissue and put them in a box which served as a hospital ward.

Dr. Githanga is an avid farmer and competent swimmer but it's her fight against childhood cancer that has earned her the hero badge. She talked to JOY WANJA MURAYA about her passion.
