

Best Student's Parents Visit EBE

No words could capture the joyous feelings in the hearts of Mr. and Mrs. Waithaka when they visited the Department of Environmental and Biosystems Engineering on 1st August 2014.

Mr. and Mrs. Waithaka having a word with Dr. Gitau during the visit

Their Daughter- Veronica Wambui was the best student in the 2013/2014 Graduating class.

The parents were grateful to the department for having their daughter for five years and equipping her with the necessary skills. They informed the chairman that Veronica was willing to come back for Postgraduate studies.
